Department, Responsibility Center, or Senior Officer Administrator Role Request

Add/Remove

Identify if you are adding or removing access by selecting the radio button in the appropriate Add/Remove column.

Access Area

Identify the Access Area by entering the name of the Department, Responsibility Center, or Senior Officer that is needed for access. Multiple fields may be completed.

Security Groups

Designate the Security Group(s) needed for the access by selecting the checkbox in the appropriate field. The definitions for the Security Groups are:

- **Staff:** Staff, Union Eligible, and Purchaser
- **Student:** Student Worker and Federal Work Study
- **Faculty:** Faculty, Research Associate, Non-Employee, and Purchaser
- **Academic:** Academic (including graduate students), Certificate, and Post-Doctoral

Module Access

Indicate the different module(s) that are needed by selecting the checkbox in the appropriate field. This will provide the user with access to the employees identified in the Access Area and Security Groups sections:

- **Employee Info & Payroll Register:** Access to employees' personal and assignment information, including salaries; will also provide them with access to submit employee actions. Access to run and view payroll registers. These modules cannot be separated.
- **Time Cards:** Access to view, edit, and approve time cards.
- **TEAM Form:** The TEAM form provides account information for pay for hourly employees and vacation/sick payouts for salaried staff.
